Well, "owger", as Mark spells it....being as you are from West By God
Virginia and have to clear it with your Chief Stenger just to leave town,
"Yooper" is a term used by many in Michigan to describe those who live in
the Upper Peninsula...the UP. Yooper is an oft used term by Michiganites.
Of course what would y'all know? Y'all are too busy chasing y'alls sisters
around the hog waller to git out much.

But there IS proof that is yet available to anybody who wants to look that Mark posted over no less then FOUR calls of other Hams.
This can easily be seen at http://kd8ctl.blogspot.com
Of course, down toward the bottom of the coments is a "disclaimer" from Mark that those posts were forgeries, so read them for yourselves. Mark's misspelled, third grade grammar "footprint" is all over those comments, deny it as he may.
One would think that Mark would learn to use a spell checker...

Just like Mark wanted me to believe that George wrote the attached
email....

considering the fact yopu very though t wrt to my request that you
honor your "promise was to accuse Mr Morgan of fraud and/or forgery I
highly doubt that you are the offended party as I myself received
email that apeared to be from YOU claim that Gaverielah was both a
lesbian and other email apearently form you that claimed Gaverielah
was in fact Mark in a dress, a silly stunt try on the leader of the VE
team that tested her for tech and him for a general CSSE at the same
time

I have read for myself your "offer" yes with the help of link provided
by Mr Mark Morgan on nimbusters and your insistance that it was
a,"done deal " I saw nothing stating or implying that it was in anyway
dependant on Mark's actions, indeed you "reply" merely tends to
convince me that Mark version s of the matter is closer to the truth
especaily as he admits some of what he relays may well be various
parties in the forgery of both his name your nickname and that of
other parties

I frankly wonder this reply and your efforts thereby to convince that
some Hams I like to think I know fairly well are engaging in the
behavior you suggest. I must agree with Mark that you indeed wise to
conceal your name and call

given I would indeed like to see some measure of justice done I must
again request you release the use of Mr Morgans call ultimately to his
own use

Usenet is a wild and wooly medium one I rarely venture into but when
you make a post you do no have any control of who respond to it how
they respond given my discussion of the general as we are often the
air at the same time chasing digital dx on one radio and idling the
time on another radio and band

I understand the matter al that would be required is giving me the password to the account of the blog by email or if use had other uses for that account taking a few moments to create another dummy account and transfer the blog or release it from one account to the new throwaway account, at that is my understand from speck to Mark KB9RQZ on Air just now
